Summer Break Holiday Homework

Dear Parents,

“School stops for summer, learning never stops.”

Summer break holiday homework is a way to keep your child connected to learning during this long break. It is an excellent opportunity to encourage children to work on their own and develop self-discipline. The holiday homework designed would not only help your child achieve the above but also help them grow as responsible individuals.

There are a few suggestions that you may keep in mind

1. Holiday homework should be done under parental guidance but not by the parents.
2. The homework should be done as per the instructions given.
3. The last date of submission of the holiday homework is 5th July 2026. No homework will be accepted after the last date.
4. The holiday homework will be graded and is a part of Internal Assessment of Term -I Exam.
5. Converse with your child in English. Encourage your child to read books to enhance his/her language and comm. skills.
6. Help to keep the house clean, clear the toys, books or craft after you have finished playing with it.
7. Be polite while speaking and talk softly.

***Plant a seed in the pot, decorate the pot. Take care of that plant for the whole month, when you will come back to school bring that pot to your school. ***
