

DAV PUBLIC SCHOOL, ASOPUR, TANDA-AMBEDKAR NAGAR U.P
HOLIDAYS HOME WORK (2025-26)
CLASS-III

ENGLISH

1. Visit the zoo during summer break. Document your visit by clicking some photographs. Then using recyclable materials make a photo frame for that photograph.
2. Write 10 page handwriting in handwriting notebook.
3. Read chapter- Dolphin and At the zoo.
4. Learn Question Answer from chapter- Dolphin and At the zoo.
5. Write a paragraph on the topic ' My favorite Pet' (write in English handwriting notebook)
6. Revise All work and Complete your incomplete practice and reader book.

MATHEMATICS

Shape Hunt:

Go around your house and find at least two objects that look like a:

Circle

Square

Rectangle

Triangle

Draw a picture of each object you find and label its shape.

2-Colourful Shapes:

Draw a picture using only circles, squares, and triangles. Colour your picture beautifully.

3-Long and Short:

Find three things in your house that are longer than your pencil.

Find three things in your house that are shorter than your notebook.

4-Heavy and Light:

Name two things you buy from the market that are measured in kilograms.

Name two things you buy from the market that are measured in grams.

5-Bonus Activity:

Create a simple addition or subtraction word problem for your family to solve. Draw a picture to go with your problem.

Wishing you a happy and mathematically exciting summer!

SOCIAL SCIENCE

NOTE – ALL HOMEWORK SHOULD BE DONE IN COLOURED SCRAP NOTEBOOK ONLY

Q.1. Learn and write the name of States/Union Territories with their capitals.

Q.2. Map Work –

Practice to locate oceans and continents on the world map and paste it.

Q.3. Collect and paste the pictures of different landforms (of India) like- Hills, Mountains, Plateaus, Land area, Desert, Islands and name them.

SCIENCE

Class III

1. Prepare a chart on any topic:
 - a) Draw and label different parts of a plant.
 - b) Draw a diagram of a tongue showing all its taste related parts.
2. Learn and note down in your copy.

Q.1 State the function of roots.

Q.2 What are creepers plants? Give some examples.

Q.3 What is the function of leaf?

Q.4 Write the role of skin in our body.

Q.5 What are sense organs? Give examples.

LIBRARY

Dear Students,

Get ready for a fun-filled summer with your library! Below is your summer vacation homework to keep your love for reading and learning alive. Complete these activities and share your work with your librarian when school reopens. Have a wonderful vacation!

Activity 1: Read and Review

- **Task:** Read at least 2 books of your choice (storybooks, picture books, or simple chapter books).
 - **What to Do:**
 - After reading each book, write a short review (5-10 sentences) answering these questions:
 - What is the title and author of the book?
 - What was the story about?
 - Which character did you like the most and why?
 - Would you recommend this book to a friend? Why or why not?
 - **Submission:** Write your reviews in a notebook. Add a colorful drawing of your favorite scene from one of the books.
-

Activity 2: My Summer Story

- **Task:** Write a short story (1-2 pages) about a fun summer adventure.
- **What to Do:**
 - Imagine a summer day where something exciting happens (e.g., finding a treasure, meeting a talking animal, or visiting a magical place).
 - Give your story a title and include at least 2 characters.
 - Draw a picture to go with your story.

- **Submission:** Write your story neatly in your notebook with your drawing.
-

Activity 3: Word Hunt Game

- **Task:** Create a list of 20 new words you learn from the books you read or hear during the summer.
- **What to Do:**
 - **For each word, write:**
 - **The word.**
 - **Its meaning (use a dictionary or ask an adult).**
 - **A sentence using the word.**
 - **Example:**
 - **Word: Brave**
 - **Meaning: Showing courage.**
 - **Sentence: The brave dog saved the kitten from danger.**
- **Submission:** Write your word list in a notebook.

DAV PUBLIC SCHOOL, ASOPUR TANDA AMBEDKAR NAGAR U.P
HOLIDAYS HOME WORK (2025-26)
CLASS-IV

ENGLISH

Prepare a project work on the values of different GAMES & SPORTS in building strong career in man's life.

2. Write down a brief sketch on your TRAVEL PLANS during summer break and their importance in the change of your mood and knowledge.

MATHEMATICS

Shape Hunt:

Go around your house and find at least three objects that look like a:

Circle

Square

Rectangle

Triangle

Draw a picture of each object you find and label its shape.

2-Line Time:

Draw three straight lines and three curved lines in your notebook.

Draw a picture using only straight lines.

3-Angle Adventures:

Look at the corners of different objects around you (e.g., a book, a table, a door).

Identify which corners make a right angle. Draw three objects with right-angled corners.

4-Lengthy Findings:

Measure the length of your study table, your notebook, and your pencil box using a ruler or a measuring tape (with the help of an adult). Write down the measurements in centimeters.

5-Heavy or Light?

List three things you find at home that are usually measured in kilograms and three things that are usually measured in grams.

6-Time Travelers:

Write down what time you usually wake up in the morning and what time you usually go to bed at night. Show these times on a clock face.

SOCIAL SCIENCE

1. Interview a Family Member

- Talk to a parent, grandparent, or another family member about a festival or tradition they love.
- Ask questions like: What is the festival? How do you celebrate it? Why is it important?
- Write or draw what you learned in your notebook (4-5 sentences or a picture with a caption).

2. Explore Your State

- Find out the name of your state and its capital city.
- Draw or paste a picture of something famous from your state (e.g., a monument, food, or dance).
- Write 3 facts about your state (e.g., language spoken, famous places, or food).

3. Weather Watch

- Observe the weather for 5 days during your vacation.

- Each day, note if it was sunny, rainy, cloudy, or windy. You can draw a small picture for each day.
 - Write a short paragraph (3-4 sentences) about how the weather affected what you did those days.
4. **My Family's Food Journey**
- Ask your family about a special dish they cook at home.
 - Write down its name, ingredients (if possible), and why it's special.
 - Draw the dish or describe how it looks and tastes in 3-4 sentences.
5. **Be a Local Explorer**
- Visit a nearby place (e.g., a market, park, or museum) with your family.
 - Write or draw what you saw, heard, or learned there.
 - Include 2-3 sentences about why you liked or didn't like the place.
6. **Learn About a Neighboring Country**
- Choose one country that shares a border with India (e.g., Nepal, Bangladesh, or Sri Lanka).

SCIENCE

Prepare a chart on any topic:

a) Human Digestive System

b) Parts of Plants

2. Learn and note down in your copy

Q.1 What are breathing roots?

Q.2 Why do some plants need breathing roots?

Q.3 Name one plant that has breathing roots.

Q.4 Where are breathing roots usually found?

Q.5 State two main function of roots.

HOLIDAYS HOME WORK (2025-26)

CLASS-V

ENGLISH

Prepare a project work on the POWER OF WORDS expressing love, respect, admiration and consideration for others in building strong relationship while growing up.

2.'BOOKS ARE OUR BEST FRIENDS ' and they can be of a wide variety. The values that we get from them are timeless and priceless. Explain their values in the formation of good conduct and worldly knowledge for us. Also, give some tips how to take care of books for their durability.

MATHEMATICS

☐ **Budget Your Pocket Money**

- Imagine you have ₹100 as pocket money for a week.
- Make a list of 3-5 things you'd like to buy (e.g., candies, a toy, or a book) and their estimated prices.
- Calculate the total cost and check if it's within ₹100. If not, adjust your list.
- Show your calculations and write 2-3 sentences about what you learned about budgeting.

☐ **Shape Hunt**

- Look around your house or neighborhood for objects shaped like circles, triangles, squares, or rectangles.
- Draw or list at least 5 objects and name their shapes.
- Measure one object (e.g., length of a table or diameter of a plate) using a ruler and write the measurements.

☐ **Fraction Feast**

- Help in the kitchen and observe a food item (e.g., a pizza, chapati, or cake) being divided.
- Write how it was divided (e.g., into 4 equal parts) and express it as a fraction (e.g., $\frac{1}{4}$).
- Draw the food item, show how it was divided, and write 2-3 sentences about the fractions you saw.

☐ **Time Tracker**

- For one day, keep track of how much time you spend on 3 activities (e.g., watching TV, playing, or studying).
- Note the start and end times, then calculate the duration for each activity in hours and minutes.
- Show your calculations and write which activity took the most/least time.

☐ **Market Math**

- Visit a local market or shop with your family (or use a grocery list at home).
- Note the prices of 5 items and calculate their total cost.
- If you had ₹200, how much change would you get? Show your calculations and write 2-3 sentences about your experience.

☐ **Pattern Power**

- Create a number or shape pattern (e.g., 2, 4, 6, 8... or square, circle, square, circle...).
- Explain the rule of your pattern (e.g., "Add 2 each time" or "Alternate shapes").
- Draw or write the first 10 terms of your pattern and describe it in 2-3 sentences.

☐ **Measure Your Room**

- Measure the length and width of a room or a table in your house using a tape measure or ruler.
- Calculate the area (length \times width) in square centimeters or meters.
- Draw a simple sketch of the room or table, label the measurements, and show your calculations.

SCIENCE

Prepare your diet chart for yourself on a full size paper which includes breakfast lunch evening snacks and dinner.

Objective:- To know about the importance of balanced diet .

2-Activity :-take some seeds and moong dal sock them overnight and put them in soil record the observation and compare the results record your observation on page number 27 of your book and take a picture and paste it on A4 size paper.

Objective:-How germination of seeds takes place and what are appropriate conditions required for seed germination.

3:-Make a list of different national park and the animals protected in them in your activity file.

4- What is the importance of forest in our life and why we should plant the sapling on our birthday

SOCIAL SCIENCE

Note: All Home Work should be done on colour Scrap notebook only, if not specified. Home Work will be submitted on the 1st day of reopening school.

1. Why it is important to share responsibilities at home? How do you share responsibility for household chores?
2. Who is your role model? Mention the qualities which you admire in him/her and would like to imbibe.
3. You like to eat bhel-puri your friend wants to eat burger all the time. How will you and your parents decide what to cook for him when he comes to your home? Keep in mind – “Junk Food is Unhealthy”.
4. Find out the names of some organisations that help the victims of natural calamities.
5. Suppose one of your family members has to move away to a distant place, what are things that he or she would be worried about?
6. On the chart paper draw and colour different types of houses,with information, it is madeup of which material? And where these types of houses found in India.
- 7.

About 4,000 species of birds are regular migrants. It is about 40 per cent of the total number of birds in the world! Birds that migrate across oceans spend up to 100 hours or more in the air at a single time until they come to land!

Find out the names of three animals and three birds who travel long distances to migrate and then go back to their original homelands.

LIBRARY

Dear Students,
